Substance Abuse

The Upper Canada District School Board is committed to programmes and procedures which will promote the prevention of alcohol and drug abuse, through the establishment of a preventive curriculum, the provision of appropriate early support measures and, when deemed necessary, the administration of disciplinary action.

The Upper Canada District School Board prohibits the possession and use of alcohol and drugs by its students and employees on Board property, on out-of-school activities which are part of a school programme, and while traveling on a school bus which is owned or under contract to the Board.

Permitted exceptions fall under school functions or school rentals licenced under the Liquor Control Board of Ontario in accordance with Board policy No. 435
