# Goal Setting

My goal for this week is:

---

---

---

---

Steps I will take to reach my goal :

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_

Two things that will help me reach my goal are:

1. \_\_\_\_\_
2. \_\_\_\_\_

I know I have reached my goal when:

---

---

# Map and Directions Activity

**STEP 1:** Create a map of your Neighbourhood. Include important landmarks (i.e. parks, streets, houses, businesses etc). The map could include headings, a legend, labels, symbols and a key on your map. If you live in a remote / rural area you could map your land and include important landforms such as: ponds, trees, farm land, hills, bush / forest area, etc.

**STEP 2:** Choose 2 locations on your map. Give step by step directions (either written or orally) from one place to another. Be descriptive so someone that doesn't know your area could find their way!

# Acrostic Poem Example

For example, if your name is Carl, your poem could be:

**C** - charming

**A** - athletic

**R** - rambunctious

**L** - likable

# FSL – Tuesday Activities
