Dear Parents/Guardians,

### RE: EOHU Offering Flu Shots at Community Vaccination Clinics

This flu season has been more difficult than recent years, and hospitals are currently seeing more cases of the flu and RSV than COVID-19, in both children and adults. Getting your family their flu shot is the best way to protect them from severe illness.

To increase access to the flu vaccine, starting December 12, the Eastern Ontario Health Unit (EOHU) is offering the flu shot at select community vaccination clinics, until December 21. Flu shots will be available on a walk-in, first come, first served basis, to eligible individuals 6 months and older.

A full list of EOHU community vaccination clinics offering the flu shot is available at [www.EOHU.ca](http://www.EOHU.ca). Before leaving for a clinic, please check the schedule as clinic dates and times are subject to change, and clinics may be added or removed.

Flu shots are also available at participating pharmacies, and health care providers. Please contact them directly for more information on vaccine availability or to book an appointment. The EOHU also offers flu shots by appointment only at its offices to children under 5 years old, and their household members. Appointments can be made by calling the EOHU at 613-933-1375 or at 1-800-267-7120 or online at [www.EOHU.ca](http://www.EOHU.ca).
